FINANCIAL ARRANGEMENTS AND DENTAL INSURANCE

Dr. Paul Polyviou, D.D.S., P.C. & Associates
3784 Dix Toledo Rd.
Lincoln Park, MI 48146

We are committed to providing you with the best possible care. If you have dental insurance, we are happy to help you receive your maximum allowable benefits. However, due to many changes in insurance policies, it is no longer an easy task to interpret each individual's policy. Although we try to stay aware of these changes, it is not always possible. Therefore, we urge you, as the patient, to please check with your insurance company prior to any office procedures. We charge what is reasonable and customary for our area. That being said, you are responsible for payment regardless of any insurance company's determination of "usual" and "customary" rates. Understand that not all services are covered by benefits in all contracts. That is to say that some insurance companies arbitrarily select certain services they will cover. While the filing of insurance claims is a courtesy we extend to our patients, all charges are your responsibility from the date services are rendered. Ultimately, it is the patient's responsibility to know their individual coverage. Failure to comply with this suggestion could result in you, the patient, being responsible for all costs incurred during your office visit.

Payments for services are due at the time services are rendered unless our staff has approved payment arrangements. We accept cash, check, Discover, MasterCard or Visa, and also offer financing through credit companies.

We realize that temporary financial problems may affect timely payment of your account. If such problems arise, we encourage you to contact us promptly for assistance in the management of your account.

We will gladly discuss your proposed treatment and answer any questions relating to your insurance. If you have any questions about the above information or any uncertainty regarding insurance coverage, please do not hesitate to ask us. We are here to help you.

I understand and agree that, regardless of my insurance status, I am ultimately responsible for the balance on my account for any professional services rendered.
